

Pool Procedures

Camp Alotta Fun implements a pool wristband system to all participating campers. Every camper will receive a wristband from one of their counselors before going to the pool. There are three colors of wristbands: Red, Yellow, and Green.

In the past, it has come to our attention that there are certain areas of Pelican Harbor Aquatic Park that some campers may not be able to participate in due to many reasons, including height or swimming ability. Although the lazy river and the slides end into pools that may be less than 3' deep; the water currents may not be safe for children who are not properly trained to swim. Because of this, we have adopted a policy based on what parents feel is in the best, safest interest of their child.

The red wristbands will be given to campers who are only allowed to wade in the main (zero depth) pool up to the blue line. This means they are not allowed on any other attraction at Pelican Harbor Aquatic Park. Children with red wristbands are assumed to not be able to swim.

The yellow wristbands will be given to campers who are able to go on all attractions at Pelican Harbor EXCEPT the drop slide and diving board. This means that a yellow-banded child will be able to go on the 2 short slides and 2 tall slides, as well as the lazy river. Children with yellow wristbands need to be able to swim in water that is over their heads.

The green wristbands will be given to campers who are able to go on all attractions at Pelican Harbor. This means that a green-banded child will be able to go off the drop slide and diving board which let out into a 12' deep pool. Children with green wristbands need to be able to swim in water that is over their heads.

Please be cautious of what band you would like your child to receive. It is never bad to error on the safe side, especially when dealing with water safety. It is up to the discretion of the Aquatics Management Team to re-evaluate a camper's abilities.

Please circle which color band you would like your child to receive and sign below. If you do not turn in this form your child will be given a red band.
