**DuPage River Trail Planning Committee**

**Purpose of the Committee:**  
To plan and develop a trail system that will add substantially to the quality of life and provide safe recreational opportunities for the citizens of Willard DuPage County.

To coordinate an agreed upon plan that provides logical continuity and extension of the DuPage River Trail system.

To coordinate local trail connections to the DuPage River Trail system that are planned and/or developed by the municipalities, park districts and forest preserve districts.

**Responsibility/Commitment of Committee Members:**  
To participate in a collaborative effort with neighboring jurisdictions by access of networking at monthly coordination meetings regarding what is being planned or constructed in each respective jurisdiction.

To work with neighboring jurisdictions and developers on planning and design issues relative to maintaining and implementing trail construction, future development and acquisition as such opportunities arise.

To work with other governmental, non-profit, and private partners in an expedient manner to address the development of this trail project as a coordinated, multi-agency effort to be developed as a project by mutual funds.
