PRESCHOOL PROGRAMS

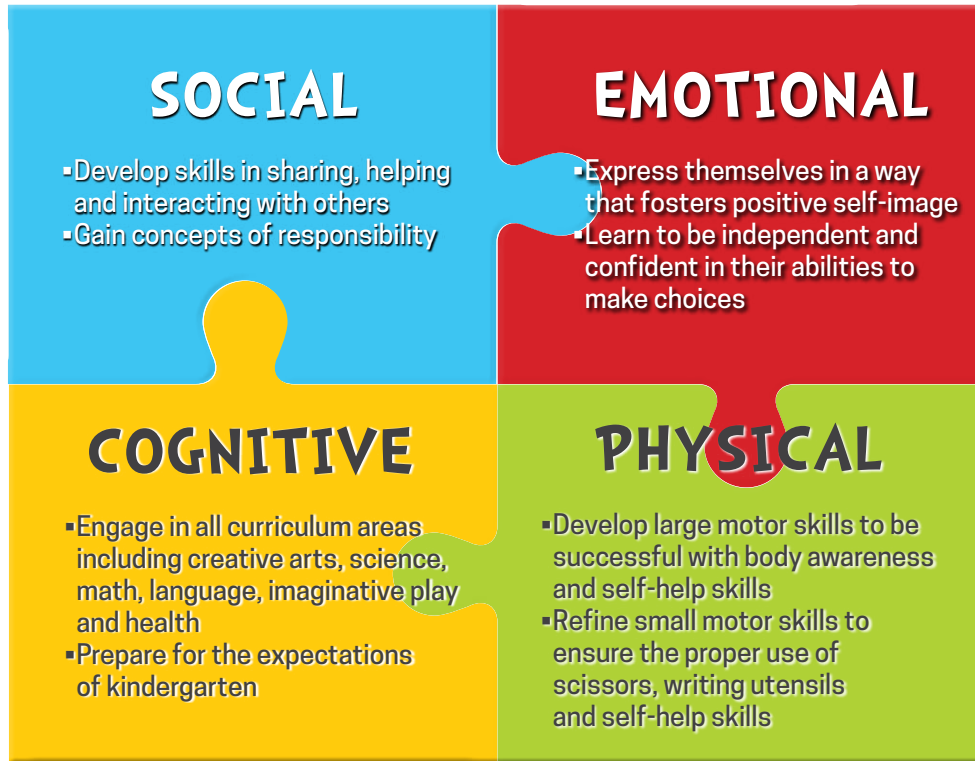

Three Unique Sites... One Common Goal... Create a Learner for Life.

The Bolingbrook Park District preschool programs, offered for children ages 2 ½ to 5 years of age, focus on educating children in a way that makes learning fun. Experienced teachers create a warm, positive educational environment that fosters a child's natural creativity and curiosity. Children are engaged in a variety of developmentally appropriate activities that are aligned with state preschool learning standards. We communicate with kindergarten program administrators in the area to ensure that our curriculum prepares our students for success in elementary school.

Our Whole Child Approach to Learning

When these four developmental pieces are connected, your child will be ready to learn and grow to his or her own potential.

Preschool Programs

SOON 2B3 PROGRAM

Development of social skills, large and small motor skills, and basic curriculum concepts are a part of your child's day. Looking for a 3 day per week program? You can also register for our Add-a-Day program.

3 YEAR OLD PROGRAM

This program nurtures a 3 year-old's social and emotional growth, and provides a curriculum focusing on the alphabet, numbers, shapes and colors, and the beginning stages of writing. This class runs 2 days per week. Looking for a 3 day per week program? You can also register for Add-a-Day. You can extend your child's day by enrolling in our Extended Morning Preschool Program.
