

May Concert: What to Bring

With the May concert quickly approaching, it is important to know what to bring and what not to bring on the day of the performance.

- The dancers will be backstage the entire show. While they are not performing, it is best that they have something that can keep them occupied. Dancers can bring books, board games, crayons, etc. We do not recommend bringing electronic games or anything valuable since we do not want anything to be misplaced.
- Please try to have your dancer eat something light before they come to the performance. A light snack and water can be brought backstage, but be sure the food will not affect the costume if dropped or spilled. **Water only please.**
- Be sure to bring all of your costume pieces with you when you drop off your dancer. This includes proper shoes. Please refer to the costume overview sheet that your teacher handed out to you for specifics on your costume.
- Dancers should arrive in costume with hair/make up complete for the performance. Parents will not be allowed to go backstage to help their dancer get ready.
- No parents will be allowed backstage. There will be a “drop off point” which is where the parents will depart from their child. Your child will be assigned to a room (with a parent chaperone) where they will wait until it is their turn to perform. A concert helper will escort your child to their assigned room. For this reason, it is important that your dancer has everything they need.
